

cmake-build/_deps/googletest
-src/googletest/test/gtest
-typed-test2_test.cc

```
graph TD; A["cmake-build/_deps/googletest  
-src/googletest/test/gtest  
-typed-test2_test.cc"] --> B["vector"]; A --> C["gtest/gtest.h"]; A --> D["test/gtest-typed-test  
_test.h"];
```

A diagram showing a central box at the top with three arrows pointing down to three separate boxes below it. The top box contains the text 'cmake-build/_deps/googletest', '-src/googletest/test/gtest', and '-typed-test2_test.cc'. The three arrows point to boxes containing 'vector', 'gtest/gtest.h', and 'test/gtest-typed-test _test.h' respectively.
